Navajo Santa: August 11-13 2016

On Friday, August 12, 2016, we gave out backpacks, school supplies, encyclopedias, hoodies, with the school logo on them, hats, mittens and water bottles to 170 children at the Tiis Nazbas Community School. A check for \$2,000.00 was presented to Principal Karina Roessel and \$1,000.00 worth of books and additional supplies were given to the school library.

In addition Red Mesa High School received a check for \$5000.00.

Dr. Darrell Thomas and his wife, Marty, showed their video presentation and gave toothbrushes and toothpaste to the children.

On Saturday we met with individuals from the Oljato Chapter, and interviewed families in preparation for our Christmas delivery in December.

Glenn White Eagle received a check for \$5,000.00 for Red Mesa High School
