***Yes, I would like to make a cash donation to Navajo Santa. 100% of this donation will be used to further the goals of our five programs.***

***1) Navajo Santa Family Delivery***

Based on a Sub-for-Santa model, this program reaches families on the Navajo Nation who are most isolated and with the greatest need. Those who have suffered a job loss, house fire, medical emergency, or other distress make their way onto our lists.

***2) Navajo Santa Goes To School***

Navajo Santa Goes to School program provides school-aged children living on the Utah Strip of the Navajo Nation, with school supplies and aims to encourage student confidence and joy in learning.

***3) Navajo Santa Senior Program***

The senior program was established to serve Navajo elders. Each year we interview administrators of the Chapter House Senior Centers obtaining a “wish list” of needed items for their facilities and programs.

***4) Navajo Santa Education Initiative***

With the goal to expand the educational experience for high school students living on the Navajo Nation, Navajo Santa offers financial support for extracurricular activities that include cultural enhancement and field trips off the reservation.

***5) Navajo Santa Sustainability Program***

Many areas on Navajo Nation are very remote, with numerous people still living without running water and electricity. Navajo Santa strives to support the Navajo community through funding of items that provide a greater, sustainable standard of living to individuals, families, and chapter houses.
